## Waarom Exchange Online backup?

- Volledige toegang hebben tot en controle houden over uw e-mailgegevens
- Snel beschikken over Exchange Online backup en herstel
  - Of wilt u een supportticket inschieten bij herstel?
- Hogere retentie van verwijderde items, bij Exchange Online is dat 30 dagen
- Lokale opslag van data

# Key Features Exchange Online Backup

## Voordelen

- Backup of mailboxes to local storage or to cloud (Public/Private/Acronis)
- Search and granular restore of emails, attachments, contacts, and calendar
- Preview mail content without recovery
- Send mail as email right from the recovery console
- Backup status monitoring
- Backup encryption in transit and at rest
- Point-in-time mailbox recovery
